Inspection of U.S. 52/Illinois 64 Mississippi River bridge in Savanna begins September 20

DIXON – The Illinois Department of Transportation announced today that weather permitting, an inspection of the U.S. 52/Illinois 64 Mississippi River bridge (Dale Gardner Veterans Memorial Bridge) in Savanna will begin Monday, September 20.

The work will require daily lane closures from 8 a.m. to 4 p.m. starting in the westbound lane before later shifting to the eastbound lane. One lane of traffic will be maintained during the inspection, which concludes Thursday, September 23.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
